

Introduction 2019

Neen is the author of *Folding Time*[™] and her latest book *Attention Pays*[™] is available at bookstores around the world.

Over the past two decades Neen has been advising some of the coolest companies in the world including Viacom, Comcast, Paramount Pictures, and even the FBI, on how to improve their strategic planning, communication, and leadership development.

When she is not speaking on stage, you might find her on the back of a Harley Davidson (pause) — as you'll see, she's a wee bit small to drive the bike herself.

Please join me in welcoming, originally from Sydney Australia, now a proud new US citizen... speaker, author and insanely slow runner, NEEN JAMES!
