

# Neen James Long Bio 2021

Neen James is the author of nine books including *Folding Time*™ and her most recent, *Attention Pays*™. She was named one of the top 30 Leadership Speakers by Global Guru several years in a row because of her work with companies like Viacom, Comcast, Cisco, Virgin, Johnson & Johnson, and the FBI, among others.

Neen is a leadership expert who delivers high-energy keynotes that challenge audiences to prioritize focus in their work and lives. Understanding that attention and productivity can only come after clarifying what matters most, audiences leave Neen's keynotes with the practical strategies they can then apply personally and professionally to get them where they want to be.

Compelling in delivering presentations, Neen is adaptive and responsive to the unique needs of live, virtual and hybrid experiences. Meeting planners love working with her – they often describe Neen as the energizer bunny for their events.

With a strong background in learning and development and managing large teams at various corporations, Neen is the perfect fit for organizations who want systems thinking based, implementable strategies. After working with Neen, their employees are able to create space and allow the freedom to avoid distractions, stop interruptions, prioritize daily objectives and say 'no' to requests that steal time and focus from real goals and priorities.

Neen earned her MBA from Southern Cross University and the Certified Speaking Professional designation from National Speakers Association. She has received numerous awards as a professional speaker and is a partner in the international education company Thought Leaders Global.

Oh, did we mention that Neen is Australian? Why does that matter? Well, it means that she's a bit mischievous, is pretty witty and a little cheeky. She also considers herself an unofficial champagne taste tester ... and is obsessed with her Peloton bike... a bike that goes nowhere!
